

# midwesco<sup>®</sup> Filter Cartridges

“We Take The Dust Out of Industry!<sup>®</sup>”

Midwesco's TDC and Nordic brand high quality filter cartridges are a direct replacement for all OEM supplied cartridges. Our proven filter designs increase efficiency, extend life, reduce maintenance costs and maximize collector performance.

Our cartridges are offered in a variety of different medias to suit your application needs such as:

- High Efficiency 100% Cellulose Paper
- Cellulose/Synthetic Blend
- 100% Spun Bonded Synthetic
- Polyester Needled Felt
- EPTFE Membrane Media Treatment
- Self-Supporting Aramid

We feature ASHRAE tested and certified filters with custom construction designs such as:

- High Temperatures up to 375°F (191°C)
- Chemical Resistant Medias
- Food Grade Materials
- Static Discharge Capability
- HEPA Rated Efficiencies.
