

## TECHNICAL DATA SHEET

# PROPERTIES OF NOMEX® FIBER

NOMEX® is the fiber of choice in a wide range of high-temperature (<375°F) filtration applications for air pollution control baghouses. NOMEX® is a registered trademark of E.I. Dupont Nemours & Company.

NOMEX® fibers can be felted or woven into a variety of filtration grade clothes available from Midwesco Filter. NOMEX® fibers are from the generic fiber group called meta-aramid. Another brand name from this fiber group is CONEX®. CONEX® is a registered trademark name of Aramid, Ltd.

NOMEX® filter bags are the most often recognized brand name when it comes to the meta-aramid fibers. NOMEX® has served for many years in industries like asphalt, metals, minerals, and power generation.
