Press Release

Midwesco® Awarded 2007 Excellence Award from West Coast Power Plant

Winchester, VA – December 22, 2007: Midwesco® Filter Resources, Inc. (NASDAQ NM: MFRI) was named recipient of the “2007 Excellence Award” from a large West Coast power plant. The award was given in appreciation of Midwesco’s excellent customer service and operational support.

This award is a direct reflection of the company strategy that was put into place in 2005. Through the efforts of our Customer Service department and our hard working sales representatives, Midwesco® has successfully accomplished its goal in improving its communications with our customers all the while strengthening existing and creating new relationships. With 2007 being a banner year in growing our business we are proud and thankful for the recognition of excellence and will continue to pursue our course of excellence in customer support and operational service in years to come.

About Midwesco® Filter Resources, Inc.

Midwesco® Filter Resources, Inc. is a world leader in dry filtration and dust collection filters since 1968. Midwesco® Filter has developed and maintains one of the largest inventories of dust collector and baghouse bags, cages, accessories, parts and cartridge elements in the industry.

Midwesco® Filter, along with its subsidiaries, TDC Filter, Nordic Air Filtration and Nordic Midwesco, are committed to providing their clients with the most cost-effective, highest value products and services available that will enhance their baghouse and cartridge systems. It is through continuous improvement in manufacturing processes, raw material acquisition, and technically competent field services that Midwesco® Filter can bring its clients the best value and best solutions. Visit us at midwescofilter.com, tdcfilter.com, nordic-air-filtration.com and nordicmidwesco.co.za.
